

Phased Opening

Nov. 16 – Dec. 14 » New Statewide Restrictions

Thank you for understanding as we follow state and county guidelines through the Safe Start phased reopening plan. Our team is going above and beyond our usual high standards to ensure the health and safety of our guests, team members and small mountain town. Thank you for wearing your mask in all public spaces, both indoors and outdoors and practicing social distancing, including not gathering in large groups.

Kingfisher Restaurant & Wine Bar

Kingfisher Restaurant & Wine Bar is closed through the end of 2020.

O'Grady's Pantry & Mercantile

O'Grady's Pantry will be open for take-out and limited outdoor dining Sundays through Thursdays 7am – 4pm for breakfast and lunch, and 7am – 9pm Fridays and Saturdays.

The Grotto Bar

A cozy and relaxing place to toast friends and unwind after dinner, featuring an extensive list of spirits, local craft beer and wine. Wood-fired pizza and salad menu with small plate menu available. The Grotto Bar will be open for take-out and limited outdoor seating for drinks and limited menu 7 days a week 4pm – 9pm.

Aspen Leaf Day Spa

The ideal respite from the everyday, with holistic services inspired by and in cooperation with nature. Reduced to 50% capacity, reservations are required for all spa services. Open Thursdays through Tuesdays.

Organic Garden

A beautiful spot to social distance and enjoy the outdoors, this fully certified two-acre garden provides much of the produce and herbs used in Sleeping Lady's restaurants, as well as fresh flowers. There are no restrictions here, except to wear your mask and ensure 6' distance between other guests.

Library

Curl up and relax with a good book in our quiet and cozy library, located within the Forest cluster. Currently we require a one family limit in the Library.

Rooms

Luckily Sleeping Lady is a natural social distancing environment, our guestrooms are arranged in clusters with outdoor entrances and no hallways or elevators. Stay over housekeeping services will not be conducted at this time: fresh towels, sheets and amenities are available upon request. Rooms are cleaned with electrostatic sprayers and highly effective Ecolab products between each stay. Our housekeeping staff seals each room once it's been inspected so you can feel secure in all our efforts to keep you safe.

Fitness Room

Currently closed according to the Safe Start Washington protocols but that just means you can experience our art walk, explore the Organic Garden or we can help refer you to a local shop for bike rentals.

Play Barn

Typically our family hospitality room encourages free play with our billiards table or table tennis but due to current state guidelines these have been put on hold. Instead, you may enjoy using the stage to put on a fun skit or bring your own board games to the Play Barn. Current regulations require a one family limit for all activity spaces.

Pool & Hot tub

During this time while the pool and hot tub are mandated to be closed by state health and safety guidelines, we have taken the opportunity to update both areas and build new restrooms and changing area.
