The Join us for an afternoon of music with Older & Wiser!

"As musicians age, especially those who have been playing music all of their lives, we realize that this journey is about making musical connections and the experience of those magic musical moments is really what we are after. Perfection is always a goal but not the main reason we do what we do. So when you spend time at an Older & Wiser show you never know what to expect, except a good time and the potential for some great musical memories. That is what O&W is all about. C'mon out to Silvara Winery for an eclectic collection of re-purposed interpretations of unexpected tunes from the past. Listen. Sing. Dance. Tap your feet. Strum your fingers. Have some great wine. Have some fun."
