Sleeping Lady was founded by Harriet Bullitt with a vision of creating a sustainable retreat for generations to come. In 2019, she donated the resort to the Icicle Fund, connecting Sleeping Lady to its mission of supporting arts, culture, history, and environmental conservation.

Today, every snack, meal, or drink at The Grotto Bar helps carry that legacy forward, supporting a sustainable future for our resort, our community, and generations to come.

Thank you for being part of it.
